Please join us in celebrating our Special Anniversary Truck show, commemorating the 100th anniversary of Hayes Trucks and the 75th anniversary of Pacific Trucks. Both Hayes and Pacific contributed immensely to the growth of B.C.'s forest and trucking industry providing trucks which were innovative, and built to last. Both Hayes and Pacific Trucks were put to work in forestry, on the highway and in mines in other Canadian provinces, Europe, New Zealand, Southeast Asia, South Africa, and the U.S.A.
